McGregor, Miss S. - Toronto Teachers Chapter IODE

October 3rd, 1914

Miss J. McGrigor,

7 Lakeview Avenue,

Toronto.

Dear Miss McGrigor:

The week of the second Tuesday of December is so full of engagements that it would be impossible for me to promise to speak to the Toronto Teachers' Chapter of the L. O. D. E. This winter it seems that I shall have many engagements and I am afraid that I cannot now promise so far ahead. If, however, you will write to me in December I may be able to tell you what time I shall have free.

Yours sincerely,

President.

Dear Miss McGrigor:

I am sorry that it will be impossible for me to address your Chapter on November 10th. I have already a long-standing engagement for the next day and that week is an extremely full one as I leave for the West also at the end of it. Some later date I shall try to be with you.

Yours sincerely,

President.
